UNIVERSITY
COLLEGE

The Indonesia > Australia Pathway Program allows students who have completed their first full time year studying Animation, Audio or Film to continue into a Bachelor's degree at one of 6 campuses in Australia.

Australia is one of the world's most popular study destinations due to its relaxed and friendly culture, vast and varied landscapes and a society that is truly multicultural. SAE has six locations across all major cities.

As the leading global specialists in creative media education, we work closely with our industry partners, employ specialist teachers with real-world experience, and we deliver personalised education in world-class facilities. This helps you gain the practical experience and technical knowledge needed to launch yourself in the real world.

Courses

- Bachelor of Audio
- Bachelor of Film
- Bachelor of Animation
